

What do you do on Monday afternoons?

All families are welcome to visit the library on Monday afternoons (between 3-4pm) for **Open Library**—a relaxed time to browse, read, and discover new books. This term, we are celebrating Australian authors and illustrators in the lead up to Book Week with the theme '*Book an Adventure*'. The *Children's Book Council of Australia* short-listed titles are available to read in the library. CBCA short-listed books are high-quality, engaging texts that can spark meaningful conversations. Come and have a read!

St Francis Reading Challenge Continues!

The *St Francis Reading Challenge* is continuing for Term 3, and we're excited to see students diving into great books once again! A big **congratulations** to all the students who completed the challenge at the end of last term and over the school holidays—what a fantastic achievement! If your child hasn't started the reading challenge yet, please send them to the library to pick up a new recording sheet - it is DEFINITELY NOT too late to start. There are 9 weeks left in the term, with lots of time for reading!
